BOSTON, October 5.

At a Meeting of the Freeholders and other Inhabitants of the Town of BOSTON, *legally aſſembled at Faneuil-Hall, on Wedneſday, the 4th of* October, 1769,

The Hon. THOMAS CUSHING, Eſq; Moderator,

AGREEABLE to the Notification of the Selectmen, it was ordered, that the authentic Copies of the ſeveral Letters, Memorials, &c. wrote by Governor Bernard, Commodore Hood, the Commiſſioners of the Cuſtoms, and others, to the Miniſtry, which were laid before the Parliament, and tranſmitted to the Selectmen by William Bollan, Eſq; be read, ſo far as they related to this Town: And they were read accordingly.

A Motion was then made, and it was unanimouſly VOTED, That the Thanks of the Town be, and hereby are given to William Bollan, Eſq; for his generous Care in tranſmitting to the Selectmen authentic Copies of Letters wrote to his Majeſty's Miniſters of State, by Governor Bernard, General Gage, Commodore Hood, and others, and alſo of ſeveral Memorials of the Commiſſioners of the Cuſtoms in America----In which Letters and Memorials, the Diſpoſition and Conduct of the Inhabitants of the Town have been groſly miſrepreſented to our Sovereign, in Conſequence whereof they have been ſenſibly affected with the Marks of his Majeſty's Diſpleaſure---and that the Moderator be directed to tranſmit this Vote of Thanks to Mr. Bollan, for ſo ſeaſonable and important a Service,

It was alſo unanimouſly VOTED, That the Hon. Thomas Cuſhing, Eſq; Mr. Samuel Adams, John Adams, Eſq; the Hon. James Otis, Eſq; Dr. Joſeph Warren, Richard Dana, Eſq; Joſhua Henſhaw, Eſq; Joſeph Jackſon, Eſq; and Benjamin Kent, Eſq; be, and hereby are appointed, a Committee to conſider what Meaſures are proper to be taken, to vindicate the Character of the Town, from the falſe and injurious Repreſentations contained in the Letters and Memorials aforeſaid, and report at the Adjournment of this Meeting.

After which, upon a Motion made, the following VOTE was unanimouſly paſſed.

THE Merchants, not only of this Metropolis, but through the Continent, having nobly preferred the public Good to their own private Emolument: And with a View to obtain a Redreſs of the Grievances, ſo loudly and juſtly complained of, having almoſt unanimouſly engaged to ſuſpend their Importations from Great-Britain: A Meaſure approved by all Ordars, as legal, peaceable, and moſt likely of all others to effect the ſalutary Deſign in View; and which will be regarded by Poſterity with Veneration, for the diſintereſted, and truly public Spirit appearing in it; the Town cannot but expreſs their Aſtoniſhment and Indignation, that any of its Citizens ſhould be ſo loſt to the Feelings of Patriotiſm, and the common Intereſt, and ſo thoroughly and infamouſly ſelfiſh, as to obſtruct *this very* Meaſure, by continuing their Importation. *Be it therefore ſolemnly Voted*, That the Names of thoſe Perſons----*few* indeed, to the Honour of the Town,---viz.----*John Bernard, Nathaniel Rogers, Theophilus Lillie, James M'Maſters* and *Company, John Mein, Thomas Hutchinſon*, junior, and *Eliſha Hutchinſon*,----be entered on the Records of this Town, that *Poſterity* may know, *who* thoſe Perſons were that preferred their little private Advantage to the common Intereſt of all the Colonies, in a Point of the greateſt Importance; who not only deſerted, but oppoſed their Country, in a Struggle for the Rights of the Conſtitution, that muſt ever do it Honour: And who, with a Deſign to enrich themſelves, baſely took Advantage of the generous Self-denial of their Fellow Citizens for the common Good.

ORDERED, That the aforegoing Votes be printed in the ſeveral public News-Papers.

Then the Meeting was adjourned to Wedneſday, the 18th Inſtant, at Ten o'Clock in the Forenoon.

Atteſt. WILLIAM COOPER, *Town Clerk.*

Notwithſtanding the above Meeting was ſo full a one, the Merchants of the Town were, during the whole Time, at the Repreſentatives Chamber, on Buſineſs of Importance, which concerned the general Cauſe.

Tueſday Morning laſt arrived here the Brig Wolfe, Captain Briant, from London, which he left the 28th of July laſt:---In the Brig came Paſſengers, Samuel Venner, Eſq; late Secretary to the Board of Commiſſioners, Capt. Lyde, Capt. Coppinger, Mr. Patrick Smith, a Merchant from London, and ſeveral others, among whom were one or two Hatters and Jewellers.

On the Arrival of the above Veſſel, a Meeting of the Merchants was immediately called, and the following Tranſactions voted to be publiſhed.

THE Merchants of this Town met at Fanueil Hall on the 3d of October inſtant, and being informed that Mr. Patrick Smith, a Stranger from London, had imported a Quantity of Goods in the Brigantine Wolfe, John Briant, Maſter, and conſidering, that in caſe Strangers might import Goods while the Merchants were obligated not to import any, it would have a direct Tendency to fruſtrate the Deſign of their Agreement, and ſo be attended with fatal Conſequences, they appointed a Committee to apply to Mr. Smith, and deſire his Attendance, who accordingly attended, and ſigned an Agreement to re-ſhip his Goods for London, a Copy of which is hereafter inſerted: Captain Nathaniel Byfield Lyde, and Mr. Colburn Barrell, alſo appeared at the Meeting, and ſigned ſimilar Agreements, which are alſo inſerted below.

And at a Meeting of the Merchants the 4th Inſtant, a Gentleman appeared, and at the Requeſt of Thomas and Eliſha Hutchinſon, informed the Merchants, that they were ready to treat with them with reſpect to the Goods they had imported; upon which a Committee was appointed to hear their Propoſals: The Committee accordingly had a Conference with them, and reported that they had acceded to every Article of the Agreement of the Merchants, and had engaged to deliver up the Eighteen Cheſts of Tea, they imported in Captain Briant; as alſo any other Goods that they might receive by any other Veſſels.---The Committee alſo reported, that Mr. Theophilus Lillie met them, and acceded to the Agreement, and entered into ſimilar Engagements.

Which Report was accepted.

The Merchants ſent a Meſſage to Nathaniel Rogers, John Bernard, and James M'Maſters, requeſting their Attendance at the Meeting, at Half after Three o'Clock P. M.---- Their ſeveral Anſwers were highly inſolent, and juſtly deſerving of Cenſure, particularly the Anſwer received from James M'Maſters, who refuſed to attend, and told Mr. Gore and Mr. Freeman, that the Merchants might do as they pleaſed, that he *found they intended to make a Riot, which he ſhould be very glad to ſee.*

VOTED unanimouſly, That theſe ſeveral Perſons, by continuing their Importations from Time to Time, contrary to the Senſe of the Trade, notwithſtanding the Pains that has been taken to prevail with them to accede to the Agreement, have diſcovered a baſe Attachment to their own little private Intereſts, and a total Diſregard to that of the Public: It appears they have had a ſettled Deſign to counteract and defeat the generous Efforts of the Merchants, and have acted altogether unbecoming the Character of good Citizens, and therefore are not only unworthy of the future Countenance and Favour of the Public in any Reſpect, but by this their Conduct, have rendered themſelves juſtly obnoxious to all who have any Regard for the Welfare of their Country.

VOTED, That the Committee of Inſpection be, and hereby are deſired to make ſtrict Enquiry after ſuch Perſons, as may hereafter purchaſe Goods of thoſe who continue to import from Great-Britain, contrary to the Agreement of the Merchants, and publiſh their Names in the News-Papers.

VOTED unanimouſly, That the Conduct of the Standing Committee is highly worthy of our Approbation, and we accordingly approve of it in every Inſtance, eſpecially in the fair, juſt and impartial Account which they publiſhed the 28th of Auguſt laſt, relative to ſuch Goods as have been imported from Great-Britain ſince the Agreement of Non-Importation has taken Place, in Anſwer to the fallacious and ſcandalous Aſſertions of one John Mein, in his many ſcurrilous and abuſive Publications.

WHEREAS I the Subſcriber have imported a Quantity of Goods, conſiſting of Twenty Eight Bales and Caſes, in the Brigantine Wolfe, from London, and I find, ſince my Arrival, that it will greatly interfere with, and have a Tendency to defeat the good Intentions of the Merchants of this Place, in their Agreement of Non-Importation, and gives great Uneaſineſs to the People of this *Place:* I hereby promiſe and engage to re-ſhip the ſaid Goods to London, by the firſt Veſſel that will take Freight for ſaid Place, provided the Charge of re-ſhipping, and Inſurance of the ſame, be borne by the Merchants here, as well as my Paſſage back. PATRICK SMITH.

Boſton, Oct. 3d, 1769.

WHEREAS I the Subſcriber have imported a Quantity of Goods, conſiſting of Four Caſes, in the Brigantine Wolfe, from London; and I find ſince my Arrival, that it will greatly interfere with, and have a Tendency to defeat the good Intentions of the Merchants of this Place, in their Agreement of Non-Importation, and gives great Uneaſineſs to the People of this Place; I hereby promiſe and engage to re-ſhip the ſaid Goods to London, by the firſt Veſſel that will take Freight for ſaid Place, provided the Charge of re-ſhipping, Inſurance and Freight of the ſame, be borne by the Merchants.

Boſton, October 3, 1769. NATHANIEL BYFIELD LYDE.

WHEREAS I the Subſcriber have a Parcel of Goods, contained in Six Trunks, and Eight Caſes, per the Brigantine Wolfe, conſigned to me from London; I hereby promiſe and engage to re-ſhip the ſaid Goods to London, by the firſt Veſſel that will take Freight for ſaid Place, provided the Charge of re-ſhipping, Inſurance and Freight for the ſame, be borne by the Merchants, and alſo indemnify me from any Charges that may ariſe on ſaid Goods here, from this Time. COLBURN BARRELL.

We hear the Merchants here propoſe, that if the Rhode-Iſland Merchants do not come into an Agreement for Non-Importation of Goods from Great-Britain, they will treat them as thoſe at New-York and Philadelphia have done, and inform their Correſpondents in London, that if they ſhip Goods for Newport or Providence, they will change their Correſpondents.

It is alſo propoſed, that an Agreement be ſigned by the Owners of Veſſels gone, and going for London, to give their Maſters Orders in Writing, not to take on board any Goods, except what is allowed of by the Merchants here, until the Revenue-Acts are repealed.

It is likewiſe propoſed that an Agreement be ſubſcribed to, as has been at Philadelphia and New-York, to extend their Non-Importation, until the Revenue-Acts are repealed.

A Day or two ago, one of the Importers ſent a Trunk of Goods to go to Old York, by Captain Winn, who enquiring of the Servant from whence they came, and being informed, the Captain refuſed to take it on board, and ſent the Servant back with the Goods.---Some Altercation enſued between the Merchant and Captain; but the Goods were not taken on board.

We hear that two Strangers, who imported three Boxes of Linens from Philadelphia, in Captain Gorham, have agreed to re-ſhip them, by the firſt Veſſel that ſails for that Port.

HARTFORD, October 2.

Yeſterday, about 3 o'Clock P. M. departed this Life, in an advanced Age, at his Houſe in Eaſt-Hartford, the Honourable WILLIAM PITKIN, Eſq; Governor of this Colony.

NEW-HAVEN, September 22.

I ADONIJAH THOMAS, of the Town of New-Haven, and Pariſh of Weſt-Haven, do, in the Preſence of the Gentlemen Merchants, and Inhabitants of the Trading Town of ſaid New-Haven, humbly acknowledge that I have attempted to inform againſt Mr. Timothy Jones, junior, for running of Goods, for which I now humbly beg Pardon of the whole Inhabitants of this Colony, and this Town in particular; and I hope the ſaid Inhabitants will receive me into their former Favour and Eſteem: And acknowledge that my Puniſhment is far leſs than the Demerit of my heinous Crime deſerves. ADONIJAH THOMAS.

This Confeſſion being publiſhed, the Inhabitants, in general, forgave the Informer, and diſperſed, without the leaſt Diſorder; having firſt declared, that whoever attempts to do the like, or to ſupport or encourage any of thoſe mean Wretches, who may be hardy enough to attempt any Thing of the like Nature, that they may expect to receive a Reward adequate to their Crimes.

IF Mr. WALTER TAYLOR (Son of the late Mr. Walter Taylor, Maſter Intendant of Woolwich Yard in England) who came in here about 5 or 6 Years ago, Maſter or Mate of the Charming Nancy, belonging to this Place, is alive, and will apply to Captain John Robertſon, on Society-Hill, he may hear of ſomething to his Advantage. §

From the GAZETTEER, and NEW DAILY ADVERTISER, of July 19, 1769.

To the E--l of H---s----b.

AS *Junius* has paid your Brother in Office, the D. of G. several warm Addreſſes, on the wiſe Management of his Department, and, as your L------p has conducted the Buſineſs of yours with the ſame Wiſdom, and with the ſame Succeſs, there ſeems no Impropriety in paying you the ſame Compliment. And, that the Public may the better judge of your m-------l Conduct, I ſhall endeavour to ſtate the Whole (as far as my Memory furniſhes me with Facts) from your firſt Appointment to the Board of Trade, to this Period.

A Peace being then concluded; a vaſt Extent of Territory acquired; and the Nation, as far as miniſterial Influence would reach, made to aſſent and acknowledge, that though we had given up Millions to a vanquiſhed Enemy, the Continent of North-America had been cheaply purchaſed; and, accordingly, were amuſed with the Hopes of ſeeing new Colonies riſe, and had, indeed, ſolid Grounds to expect everlaſting Springs of Wealth from thoſe already ſettled and cultivated. From hence every Loſs was to be repaired, every Burthen to be alleviated, and all paſt Calamities to be ſoftened into Oblivion. This was the Language of that very Board over which your L--dſh-p was placed. Have theſe Bleſſings been produced? or, have we a Right to expect them from preſent Appearances? could they poſſibly ſucceed the Meaſures you adopted? Your firſt Attempts were to ſettle and cultivate the two Floridas, which, in America, are as Arabia in Aſia; and may, in future, like it, prove the Dwelling of deſperate Villains; but can never be made uſeful or advantageous to the State.

Your firſt Attempt to regulate the ancient Colonies, was ſtripping them of their Paper Currency, which had been one of the greateſt Means of ſupporting their Trade to theſe Kingdoms; though you, at the ſame Inſtant, ſaw (and muſt be ſuppoſed to concur in the Meaſure) our own Fleet, fitted out, to ſtop all the Mexican Silver (which, alone, could have replaced the neceſſary Medium) from finding its Way to them. You, at the ſame Time, recommended the laying heavy Burdens on their Weſt-India Trade, by which they were formerly aſſiſted to pay the Ballance due to this Country. You echoed back to the Premier the eſtabliſhing thoſe dangerous A-------y C---ts, which ſtill continue dangerous and oppreſſive to the faireſt Trader, and, to complete the Syſtem, approved, and adviſed that fatal Source of Diſcontent, the Stamp-Act. Here (happily for Great-Britain) ended your firſt *glorious* Adminiſtration. Your ſecond is like unto it: The Influence of the Butenean Party, of which your L--dſh-p is undeniably one, unfortunately led the Legiſlature into a Meaſure ſimilar to thoſe I have juſt mentioned, which could be but aukwardly enforced by a Secretary, whoſe Sentiments were utterly againſt it. Hence it became neceſſary to diſcard him, and call for your Aſſiſtance. The firſt Matter of Importance (which, though very trifling in itſelf, became, by your L--dſh-p's *wiſe* Management, not only important, but dangerous) was the circular Letter of the Maſſachuſetts Aſſembly, to thoſe of the other Provinces, written with Innocence, replete with Loyalty, ſounding with Harmony, and dictated by Reaſon and good Policy: Even this Letter you repreſented to your S-------n as factious, ſeditious, &c. and fell into Deſpotiſm yourſelf, to make them obedient, by ordering the Vote to be reſcinded, upon Pain of their Diſſolution. You recommended ſending Troops and Ships of War, to keep the Peace. You ſhould remember, my Lord, theſe are not Peace Officers, and, as might well be expected, they were the firſt to break it. To intimidate the People, you drew up Reſolves, and an Addreſs to his M-----y, founded on Evidence from Governor Bernard, the Commiſſioners of Revenue, Cuſtom-houſe Officers, and a few poor, expectant and dependant Creatures, whom your L--dſh-p correſponds with in Boſton; and thereby, having impoſed upon, and deceived the Legiſlature, ſanctified your Deſpotiſm, at the Expence of their laſt Liberties, as appears in lively Colours by the Petition of the Virginia Aſſembly; and, to complete your Plan of Folly and Iniquity, you have recommended his M-----y to confer Honours on the Man, who, though your Friend and Colleague, will never riſe above a * Proctor; for his inexpreſſible Meanneſs, and a low Cunning, are incompatible with the Governor, or Baronet.

Now, my Lord, ſurvey your Meaſures, and their Conſequences, from which I beg you to draw your Character, as a Miniſter. Great and laſting Bleſſings were promiſed: Do they ariſe? or are they now felt or acknowledged by the Public? The two Governments of Florida have been very expenſive; have buried vaſt Numbers of thoſe glorious Sons of War, who fought our Battles, delivered our Country, and deſerved our utmoſt Care and Tenderneſs. They produce nothing but Diſeaſes and Lamentation. Taking away the Paper Currency of America, has, indeed, huſhed the Complaints of a few Scotch Factors in Virginia; but, in Return, has been attended with an immediate Stagnation of Trade, unparallelled Diſtreſs, for Want of a Medium in the Payment of Britiſh Debts, and is cruelly felt in every Corner of this Kingdom.

Preventing the Spaniſh Silver from the Coloniſts, has proved ſtill a much greater Injury to the Trade and Manufactures of Great-Britain, and has, for ever, I fear, loſt us that, the moſt lucrative of all Branches of Commerce; and, oh! tormenting beyond Expreſſion! our Enemies are riſing in Wealth and Power, by the Enjoyment of it. The Burdens laid on ſuch Branches of Commerce as we, from Europe, could not carry on, have had no other Effects than diſabling the Colonies from paying for our Manufactures. The Admiralty Courts have driven moſt Merchants of Eminence and Spirit, out of a Trade, which could not be ſecured by Law from their greedy Avarice, and unlimited Power; and the Stamp-Act, had it been continued, could not have produced any neat Revenue, when there was no Money in the Country, though it muſt be owned, it has been attended with the moſt dreadful Miſchiefs. The preſent Revenues are founded on Injuſtice, by yourſelf confeſſed to be anti-commercial, and the Sums produced, do, by no Means, pay the Salaries and Expences of Collection, though the People have, all along, paid the Duties, without Reſiſtance; but, on the contrary, the numerous Myrmidons in the Offices, muſt be paid out of other Impoſts. Hence, no Benefit was intended to the Public. Your Pretence for enforcing and continuing theſe Acts, is to preſerve and ſupport the Dignity of Government, which every Moment loſes Ground, by the Force of Reaſoning; a firm, ſerious, ſpirited Oppoſition, and unalterable Determination of all America. If you meant any Thing by your Commands to reſcind, you meant to keep the Colonies diſunited: This very Command united them to a Man. The Troops, and Ships of War, have convinced the moſt Phlegmatic in America, that their Liberties were in Danger, and that rigid Virtue, only, muſt ſave them and their Conſtitution: Your Peace-Officers, and armed Conſtables, have been the Cauſe of the only conſiderable Riot that has happened. The Sanction of the L---------e, only proves your Meaſures illegal; has made you more deteſtable, and immoderately increaſed their Love for thoſe Men among them who ſtood foremoſt in the Cauſe of Liberty; and though you have, hitherto, been able to deceive your S-------n, and inſult his Subjects; though you have repreſented innocent and legal Meaſures of ſeeking Redreſs, as factious and rebellious; though you have endeavoured to drive the beſt of Men to deſperate Remedies; they have diſappointed your Expectations, and will, by the Aid of their Fellow-Subjects in England, live to ſee you contemptible in the Eyes of your R---l Maſter, as you are now to them. I have enumerated moſt of the important Meaſures which you have, while in Power, recommended, or enforced; they are clearly, and, in general, diametrically contrary to the Intereſts of this Country, as well as America; many have been attended with Conſequences totally contrary to your own Expectations and Deſigns. You are come to your *ne plus ultra* (or, as your *Friend B--rn--d* elegantly expreſſes *himſelf*, to the End *of your Tether*) and you had better reſign now, than increaſe your own Perplexity, by adding new Burdens to thoſe you have already brought upon the whole Britiſh Empire. I ſhall take another Opportunity to explain your Motives, your Principles, and Connections. Till then, I am, with due Reſpect and Obedience, your

L--dſh--p's humble Servant,

JUNIUS AMERICANUS.

CHARLESTOWN (*South-Carolina*) Auguſt 31.

Many Inſtances of extraordinary Longevity might be given in Natives of this Province, to prove that it is as healthy as moſt Parts of North-America; but it is obſervable, that thoſe who arrive to great Ages here, have not paſſed their Days in Idleneſs and Intemperance.----There are two Siſters now in this Town, and a Brother of theirs but a few Miles out of it, all born in the Province, whoſe Ages put together, make upwards of 230 Years.

We are told, that one of the Paſſengers in the laſt Ship from London, is come over on Purpoſe to contract, through this Continent, for RAW HIDES: But, if ſuch is his Buſineſs, he will moſt certainly be diſappointed.

We are alſo told, that there are ſeveral Agents employed, to purchaſe all the HEMP made in America, in order to ſave us the Trouble of manufacturing that Commodity as well as Leather.

September 7. At a General Meeting of the Inhabitants on Friday laſt, under Liberty-Tree, it was DETERMINED, That the General Reſolutions of the 22d of July laſt, ſhould be *moſt ſtrictly* adhered to, and left to the General Committee, to take every neceſſary and juſtifiable Step for preventing the leaſt Deviation therefrom; ſome other Matters of a general Concern were alſo left to that Committee.---A Return was at the ſame Time made, of the Town Inhabitants that had ſubſcribed to the Reſolutions, and it appearing that ſome few Names were ſtill wanting, it was RESOLVED, That the Subſcription ſhould continue open to this Day; and then, if there ſhould remain any Non-Subſcribers, that their Names ſhould be made publicly known.----The Committee met on Monday, and gave public Notice of the laſt Reſolution: Yeſterday they met again, and after going through ſome neceſſary Buſineſs, adjourned to the firſt Tueſday in October next.

Sept. 14. A Liſt having been taken of the *Non-Subſcribers* to the GENERAL AGREEMENT of the Inhabitants of this Province, of the 22d of July, not to import unneceſſary Goods, and to promote Oeconomy, &c. the whole Extent of this Town has produced *no more* than THIRTY-ONE (excluſive of Crown-Officers) whoſe Names are made public, in Hand-Bills, agreeable to a Reſolution of the General Committee of the 4th Inſtant.----A very evident Proof, that we are in Earneſt, in the Purſuit of ſuch Meaſures as may moſt effectually tend to ſecure to us and our Poſterity, the Rights we claim under the Engliſh Conſtitution.

The Schooner William, John Jewer, Maſter, from the Bay of Honduras, bound for Philadelphia, put in here Yeſterday, having loſt her Maſt, Bowſprit, Sails, Rigging, &c. and been overſet, in a Hurricane, on Thurſday laſt, in Lat. 31:20, and about 80 Leagues from the Land.

WILLIAMSBURG, October 5.

The Ship Rae Galley, and the Brigantine Lilly, both from Antigua, and ſeized by the Collector of this Diſtrict, for not entering ſundry Slaves imported in them, are both condemned at a Court of Vice Admiralty held here this Day.

We hear that ſome evil diſpoſed and diſorderly Perſons have lately killed, at ſundry Times, 16 of the Delaware and Mingo Indians, on the Frontiers of Auguſta County; which the Inhabitants fear will occaſion an Indian War, eſpecially as none of the guilty Perſons have yet been diſcovered.

BOSTON, *October* 5.

Extract of a Letter from New-York, dated September 24.

"It is currently reported here, that all Intercourſe with Rhode-Iſland is nearly ſhut up, as if the Plague was there, as we will neither ſell to them, or ſhip them any Goods, nor receive any from thence, nor ſuffer them to ſell any in this Province."

NEW-YORK, October 12.

On Tueſday laſt at Powlas Hook Races, four Horſes ſtarted for a 50l. Purſe (the beſt two of three Heats of three Miles each) which was won by Mr. ANTHONY RUTGER's, junior, Horſe *Luggs*.----Mr. MORRIS HAZARD's Horſe *Partner*, had the Misfortune in the laſt Heat to run over a Dog, which occaſioned him to fall, and throw his Rider (who was much hurt) otherwiſe it was doubtful which of the two would have won, *Partner* having won the ſecond Heat.

October 16. The firſt Inſtant, Captain Miller, from London, was in a very violent Gale of Wind, in which he was obliged to cut away his Mizen-maſt, to prevent the Ship overſetting.

Extract of a Letter from Newbern, in North-Carolina, September 24.

"Since mine to you per Captain Snow, I have been a great Sufferer by a violent Hurricane, which began here on Thurſday, the 7th Inſtant, about 6 o'Clock in the Evening, the Wind at N. E. and ſo continued till 9 or 10, then ſhifted to S. E. and about 2 in the Morning, the Tide was 10 or 12 Feet above its uſual Height; about this Time the Wind ſhifted to S. W. which occaſioned the Tide to fall, or it would have deſtroyed this Town, which is already near effected.----Sixty odd Houſes are totally deſtroyed, and a large Number of others much damaged, 8 large Wharffs are tore to Pieces, 5 white and 2 black People were drowned, and many others much bruiſed in the Ruins of the fallen Houſes.----The following Veſſels were drove from their Anchors into the Woods on high Land, viz. Sloop Diamond, Remembrance Simmons, belonging to Rhode-Iſland; Sloop Sydney, John Oliver, and Brig Sally and Betſey, Jonathan Hibbs, Newbern; Sloop Deborah, John Pindar, and Charming Sally, Obadiah Yarbrough, belonging to J. Smith, at Newbern; Sloop Sally, Jeſſe Hunt, New-York; Sloop Polly, Jonathan Spinnage, Elizabeth-Town; Snow Fitzherbert, Stephen Williams, Barbados; Sloop Tryal, William Woolcot, New-London; Schooner Lucitania, Jeremiah Havens, Caſco-Bay; Snow Cumberland, Samuel Spencer, Guilford, in Connecticut; alſo a Number of ſmall Veſſels, of 16 or 20 Tons each.----The Amount of the Damage ſuſtained by this Town in the late Storm, is eſtimated at 40 or 50,000 l.

"The Loſs to this Town is not the only one that will affect this Province, for the Crops of Corn are entirely ruined, many Houſes down, and Lives loſt in the Country, occaſioned by their Fall; and we have juſt received Information, that many Veſſels foundered at their Anchors in Ocracock Road, and others ſtranded on the Sea Shore, not one Soul of any of them left to tell who or what they were.

"To deſcribe the Horrors of this Hurricane is beyond the Art of my Pen, therefore muſt leave it to you, to form an Imagination of ſo terrible a Night.------As you will expect ſome Account of my Loſs in this Calamity, I now proceed to give you a ſummary Account of it; two Sloops and their Cargoes of near 500 l. each, juſt arrived from Jamaica and Nevis; my Wharffs, Warehouſe, its Contents of Corn, Salt, Sugar, &c. my dry Good Store totally gone, with about 800 l. Sterling of Goods in it; my Books, Bonds, Notes, Papers, Paper Money (Specie, ſome Part of which I found again) together with ſeveral other Houſes, and their Contents, of conſiderable Value; my Dwelling-houſe, and Mr. Cornell's, which joins it, ſtood on a ſtone Wall, 22 Inches thick, and near 9 Feet from the Surface of the Earth, were almoſt waſhed down, the lower Floors of both fell in, the other Parts are miraculouſly ſtanding, on Parts of the Cellar Wall, and all the Furniture of both Houſes, that were in the lower Floors, are broke to Pieces, and waſh'd away, as alſo many others.---At one in the Morning, the Water was 18 Inches on my lower Floor. I broke through into Mr. Cornell's Garret, with my Wife and three Children; three of Mr. Cornell's youngeſt Daughters, and many others in both Families, amounting in the whole to 28 Souls, eſcaped out of Mr. Cornell's Back-door, with the Children on our Shoulders, and the Water up to our Chins, wading near 250 or 300 Yards to the higheſt Ground, in order to preſerve our Lives, which under the provident Care of Almighty God, was moſt fortunately effected.

"Mr. Cornell's Damage is alſo very conſiderable, his Brig, Wharff, Warehouſes, Dwelling-houſe, Cellar, and their Contents, were waſhed away; his dry Good Store, which ſtood on high Ground, much damaged, and many Goods waſhed away.

"A whaling Schooner is come into Old Topſail-Inlet, the Maſter of which ſaith, he ſaw the Hulks of ſeveral ſquare rigged and other Veſſels adrift at Sea; alſo a Brig, belonging to Norfolk, in Virginia, laded with Rum, from one of the Iſlands, on Shore to the Southward of the ſaid Inlet, the People were all ſaved, and about 50 Hogſheads of Rum; much Damage is alſo done to the Town of Beaufort, ſituate in the ſame Inlet; it is ſaid not above four or five Houſes are left ſtanding; the Trees in Orchards, and the Woods, are torn up by the Roots in a ſurprizing Manner, and their Number incredible."

Extract of a Letter from Providence, in Rhode-Iſland Government, dated October 9, 1769.

"The Merchants of Providence, have this Day come into an Agreement, not to import any more Goods from Great-Britain, until a general Importation ſhall take Place."

NEWPORT (Rhode-Iſland) October 9.

From Boſton we hear, that one Day laſt Week, a Veſſel arrived there from Scotland, with a conſiderable Quantity of Britiſh Manufactures, whereupon the Sons of Liberty aſſembled, and came to a Reſolution to ſend her back with her Cargoe; they carefully watched her one Night to prevent the landing her Cargoe, with an Intention to give any Perſon, who might attempt to ſmuggle, a proper Diſcipline at Liberty-Poſt. The next Day the true-born *Sons generouſly ſubſcribed a Sum of Money, equal to the Value of the Freight of the Ship Home, which they preſented to the Captain, and gave him Directions to return to the Place from whence he came, which he accordingly obeyed on Thurſday laſt, by ſetting ſail for Scotland.*

PHILADELPHIA, October 19.

To the PRINTERS.

AN Anecdote, juſt publiſhed by Mr. H. Laurens, of South-Carolina, may ſerve to ſhew the Danger, that is likely to reſult to America, from the late Revenue Acts, paſſed by the Parliament of Great-Britain; our Property is thereby not only taken from us without our Conſent, but, when thus taken, is applied ſtill farther to oppreſs and ruin us. The Swarms of Searchers, Tidewaiters, Spies, and other Underlings, with which every Port in America now abounds, and which were unknown, before the Board of Commiſſioners was eſtabliſhed among us, are not, it ſeems, quite ſufficient to ruin our Trade, but infamous Informers, like Dogs of Prey, thirſting after the Fortunes of worthy and wealthy Men, are let looſe, and encouraged to ſeize and libel, in the Courts of Admiralty, the Veſſels of ſuch as are Advocates for the Rights of America. If they can find any Colour of Pretence, the Judge, who is dependent on the Will of the Miniſter, and paid at his Pleaſure out of the American Cuſtoms, is ready to paſs Sentence of Condemnation; but if the Veſſel is acquitted, no Loſs or Inconvenience is to accrue to the Proſecutor. For if he is ſued, and Damages recovered againſt him, theſe Damages are paid out of the American Revenue.

This we find the Caſe with one Roupell, of Charleſtown, South-Carolina. He ſeized and libelled a Veſſel of Mr. Laurens's. The Veſſel was acquitted, becauſe, as the Judge ſaid, there was not the leaſt Colour of Pretence, that ſhe was concerned in any illicit Trade. Hereupon Mr. Laurens, to deter others from the like villainous Practices, ſued Roupell, and obtained a Verdict againſt him for £ 1400 (that is about £ 200 Sterling) for Damages ſuſtained by his unjuſt Seizure of the Veſſel. But, to his Mortification, Mr. Laurens found that, inſtead of making an Example of the infamous Informer and Proſecutor, theſe Damages were paid to him out of the Plunder of his Country. Roupell himſelf, five Months after the Verdict, when called on for the Money, expreſſed his Hopes of obtaining an Order from the Commiſſioners to pay it out of the American Revenue, and therefore prayed an Indulgence of two Months longer. And Mr. Laurens declares, "he has been well informed, Means were deviſed for opening "the American Cheſt, and a ſufficient Sum for the Purpoſe "drawn from thence. Thus (as he pertinently obſerves) are "Arms and Ammunition unconſtitutionally levied upon us, and "reſerved as Weapons for our Deſtruction *."

On Saturday laſt the GENERAL ASSEMBLY of this Province met here, when JOSEPH GALLOWAY, Eſq; was choſen Speaker; and CHARLES MOORE, Eſq; Clerk of the Houſe. BENJAMIN FRANKLIN, and RICHARD JACKSON, Eſquires, are continued Agents for this Province, at the Court of Great-Britain, for the enſuing Year.

Extract of a Letter from Newbern, in North-Carolina, dated September 11, 1769.

"*I have juſt Time to write you by Captain Snow, bound to New-York, whoſe Veſſel miraculouſly eſcaped Deſtruction. The Deva[illegible] and Confuſion in Newbern, cannot be deſcribed as it really is. From Mr. Wilton's Houſes (they included) round to James Coor's Street, (they alſo included) is one intire Heap of Ruins, owing to the Inundation of Water, and violent North-eaſt Wind, which happened the Seventh Inſtant. John Smith's Dwelling-houſe and Stores are quite ſwept away, and his Goods intirely loſt; Samuel Cornell's Dwelling-houſe beat to Pieces; Heritage's large Stores deſtroyed, and all the Goods in them; Davis's Houſe, and Printing-Office, ſhared the ſame Fate; and our little Property, together with your Houſes, are alſo demoliſhed; in ſhort, there is not a Front-houſe ſtanding in Newbern. Some Perſons who, on the Sixth Inſtant, had a comfortable Living, on the Seventh, about Twelve o' Clock at Night, were deprived of even Clothes to cover them, or Bread to eat. The whole Country, ſo far as we have yet had Intelligence, is one continued Scene of Diſtreſs---The Corn levelled to the Ground----Fruit Trees torn up by the Roots---Many Houſes blown down----The Oak Trees almoſt ruined----And ſundry Perſons loſt their Lives, four of whom were buried here Yeſterday. It happened very unlucky for us; for we have not only loſt our Dry Goods, &c. but alſo a conſiderable Sum in Commodities, ſuch as Oil, Bees-wax, Tallow, Skins, Turpentine, Pitch, and a large Quantity of Staves and Heading; all which were Remittances, ready for a Market; but, as it was the Hand of Providence, we muſt ſubmit, ſince Numbers in this Town, who were in good Circumſtances, are now intirely ruined. I have not Time to ſay any more, being employed in aſſiſting to clear our Streets of the Wrecks of Houſes, &c. and now and then pick up ſome ſmall Remnants of Goods. Our Books, Bonds and Notes, are ſaved, but every Thing elſe gone. Mr. Papa's Wife and Child, and Mr. John Johnſton's Wife and Child, were drowned in the Street. Among other Goods that were found after the Storm, was a Hogſhead of Rum, which was carried about two Miles from the Town.*"

Since our laſt the Ship Minerva, Captain Arnott, came up to Town from Rotterdam, but laſt from Portſmouth, with Palatines; on the 2d of Auguſt, off the Iſle of Wight, he ſpoke the Ship Hopewell, Captain Turner, from Charleſtown for London, all well; the Firſt Inſtant, in Lat. 38:26, Long. 68:30, he met with a moſt violent Gale of Wind, in which he ſuffered ſome Damage in his Sails and Rigging; and the next Day he ſpoke a Brig, Captain Maſters, from Piſcataqua for Antigua, who had loſt his Mainmaſt, and the Head of his Foremaſt, in the ſame Gale, otherwiſe all well.

By Captain Cheevers, from Cork, we learn, that the Ship Pennſylvania Farmer, Captain Blair, one of the Tranſports from this Port, is arrived at that Place; and that Captain Bateman, belonging to New-York, failed for St. Ubes ſome Days before he left Cork. On the 22d ult. in Lat. 40:55, Long. 53, he ſpoke a Sloop, Captain Wallace, from Fyall for New-York, 4 Weeks out; and on the 5th Inſtant, in Lat. 37, he ſpoke a Ship, Captain Robinſon, from Briſtol for Maryland, out 6 Weeks, all well.

Captain Blythe, arrived here in 26 Days from South-Carolina, informs, that he met with bluſtering Weather almoſt all the Paſſage; that he put into Ocracock Inlet, where he was informed by the Maſter of a Veſſel juſt arrived, that he had met with a

Bermudian Sloop at Sea, full of Water, her Maſt and Bowſprit gone, without any Perſon on board; and that he took a Caſk of Bread, and two Caſks of Vinegar, out of her, but found no Papers to diſcover where ſhe was bound. A few Days ago his Veſſel ſtruck on Chincoteague Shoals, where ſhe beat off her Rudder, but he luckily received no other Damage.
